ACTION ITEMS:

1. Certificate of Approval - CA06-0011 - 2629 Central Ave. Applicant: Hwan Kim. The applicant requests a Certificate of Approval for the removal of two coast live oak trees (*Quercus agrifolia*) that are located along the right side of the property. The trees are causing a potentially hazardous condition due to their proximity to the eave of the house. The site is located at 2629 Central Avenue, within an R-4, Neighborhood Residential Zoning District.

Andrew Thomas, Planning Services Manager, introduced Doug Vu, Planner III, who was recently hired to the Planning & Building Department.

Staff member Doug Vu briefly summarized the staff report. Mr. Vu stated that both the applicant and Elite Tree Service, Inc. are concerned about the location of the trees and their potential to cause damage to the foundation of the two homes located at 2629 and 2633 Central Ave. AMC Section 13-21.7(c) requires that any protected oak tree that is removed shall be replaced with a minimum of two oak trees of ten gallon size or larger. Since there is a lack of sufficient space on the applicant's property to replace these trees, the Planning & Building Director recommends that a \$375.00 fee, equal to the cost of three fifteen gallon trees, be

collected on behalf of the Recreation & Parks Department for the purchase and planting of these trees in a City park. Staff recommends approval of CA06-0011, with conditions as stated in draft resolution.

There were no speaker slips. Chair Anderson closed the public hearing and opened the floor to Board discussion.

Vice-Chair Miller stated that he agrees with the staff recommendation.

In response to Vice-Chair Miller's question regarding why an arborist report was not submitted with this application, Mr. Vu stated that according to the Ordinance, a report from a certified arborist is required only if the health of the tree is in question.

Chair Anderson stated that the Board should discuss this section of the Ordinance when the revisions to the Ordinance are reviewed by the Board in the near future.

The Street Naming Policy currently states that the Historical Advisory Board must approve additions or deletions to the List based on written documentation of the historic importance of the name in Alameda history. As a prominent sports figure in Alameda's history, Staff has determined that Willie Stargell is eligible to be added to the List.
