4. REGULAR AGENDA ITEMS:

4-A. A presentation on Universal Design in Residential Development by Jessica Lehman of Community Resources for Independent Living (CRIL). The presentation is for informational purposes to assist the Planning Board and the Alameda community consider universal design issues in future residential projects in Alameda. No action is being requested.

Commission on Disability Issues Chair Leslie Krongold introduced Jessica Lehman of Community Resources for Independent Living (CRIL).

Ms. Lehman gave a presentation on universal design. She stated that universal design is totally inclusive and considers the needs of the total population. The designs feature a wide and level entry, wide interior doors and hallways, bedroom and full bath on the first floor, lever door handles and lower heating controls and light switches. The design allows people to age in place.

5. ADJOURNMENT: 8:05 PM
