The request is essentially an appropriation of \$800,000 that staff expects there will be a trade of some funds between the FISC and the CIC. The tax exempt bonds will go into the FISC water project as a Public Works project and the FISC lease revenues will come back to the CIC to be used outside of redevelopment project areas and does not have the same restrictions as redevelopment funds.

Rob Ratto, PSBA Executive Director, discussed the current improvement program on Park Street and urged the CIC/Board to approve the money for the undergrounding, the façade grant, and the FISC property.
